Provider Description

Information provided by the provider describing their agency:

Robert Kliminsky, MA, BCBA has experience working with Individuals with Intellectual Disabilities, Autism Spectrum Disorder, Dual Diagnoses, and physical challenges for over twenty years. In 2001 Robert founded and became the proprietor of Behavior Analysis Consultations, LLC (BAC) which provides behavior support services to a number of public and private agencies as well as individual families. BAC believes in promoting the actualization of the individual's personal life goals by strengthening and teaching skills required in reaching those goals through interventions based on the principles of Applied Behavior Analysis. Various techniques are employed to help develop personal growth and potential; including Task Analyses, Shaping, Functional Communication, Functional Behavior Assessment, and Differential Reinforcement. BAC believes in an interdisciplinary-team approach to address obstacles and challenges to meet identified goals.

Career progression includes Director of Behavioral Health, DDS Facility Inspector, Vocational Rehabilitation Counselor, and Direct Support Professional.

Robert has a Bachelor of Arts degree major in Psychology, minor in Biology; Master of Arts in Community Psychology; and holds a Certificate in Applied Behavior Analysis. He has continued post graduate studies in Neuropsychology and Educational Psychology. He is a Board Certified Behavior Analyst and Board Certified Clinical Psychotherapist. He sits on the Program Review and Human Rights Review Committees for the Department of Developmental Disabilities.
