

# STATE OF CONNECTICUT DEPARTMENT OF ENVIRONMENTAL PROTECTION

January 2001 Open Space Report  
to the  
Finance, Revenue and Bonding Committee  
and the  
State Bond Commission

## Overview:

Section 22a-6v of the General Statutes of Connecticut provides that the Commissioner of Environmental Protection shall submit a report to the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission each month. The report shall provide information on the acquisition of land or interests in land by the state, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Sections 7-131d and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79, inclusive, of the Connecticut General Statutes.

## Open Space and Watershed Land Acquisition Grant Program:

Fifty-two grant applications have been reviewed and presented to the Natural Heritage, Open Space and Watershed Land Acquisition Review Board for their recommendations. The combined acreage of the proposed acquisitions is approximately 2,560 acres at a combined cost of over \$20.8 million. Since grants were first awarded in the Fall of 1998, 92 of the 153 projects proposed have been awarded funding to preserve 7,084 acres. To date, 23 projects have been completed placing 2,569 ± acres in public open space.

The following grant projects were finalized during the month of January:

Colchester; Ruby Cohen Property; 111 acres  
South Central Connecticut Regional Water Authority; Abbott Property; 82.3 acres (Madison)  
Audubon; Osborne Property; 23.5 acres (Sharon)  
Shelton; Stockmal Woods; 39 acres  
Durham; Pisgah Mountain; 76 acres

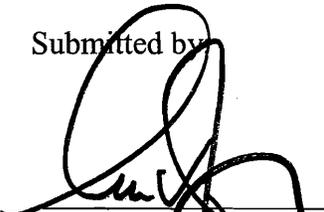

Recreation and Natural Heritage Trust Program:

The Recreation and Natural Heritage Trust Program is the State of Connecticut's primary program for the acquisition of lands for the beneficial use and enjoyment of the public as additions to the State's system of parks, forests, wildlife, fisheries and natural resource management areas. The program acquires land that represents the ecological diversity of Connecticut, including natural features such as rivers, mountainous areas, coastal systems and other natural areas, in order to ensure the conservation of such land for recreational, scientific, educational, cultural and aesthetic purposes.

The following acquisitions occurred during the month of January:

Property Name	Location	Cooperator	Match Share	Fee Acreage	Easement Restriction, or R.O.W. Acreage	State Purchase Price	Purpose of Acquisition
Mellon	Lyme				194.33	-0-	Scenic easement Hamburg Cove Watershed
Becker	Killingworth			91.4		\$675,000	Addition to Cockaponsett State Forest
Magauran	Stafford			50.0		\$170,000	Addition to Shenipsit State Forest

## DEPARTMENT OF ENVIRONMENTAL PROTECTION

February 2001 Open Space Report  
to the  
Finance, Revenue and Bonding Committee  
and the  
State Bond Commission

### Overview:

Section 22a-6v of the General Statutes of Connecticut provides that the Commissioner of Environmental Protection shall submit a report to the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission each month. The report shall provide information on the acquisition of land or interests in land by the state, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Sections 7-131d and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79, inclusive, of the Connecticut General Statutes.

### Open Space and Watershed Land Acquisition Grant Program:

The Open Space and Watershed Land Acquisition Grant Program provides grants to municipalities and private nonprofit land conservation organizations for the acquisition of open space land and to water companies to acquire land to be classified as Class I or Class II watershed land. The State of Connecticut receives a conservation easement on each property acquired to ensure that the property will be protected as open space in perpetuity.

The following project was finalized during the month of February:

Orange; Racebrook Tract; 230 acres

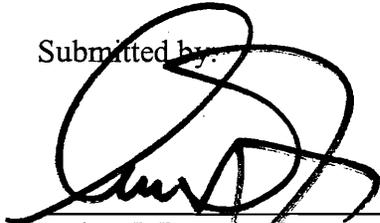

### Recreation and Natural Heritage Trust Program:

The Recreation and Natural Heritage Trust Program is the State of Connecticut's primary program for the acquisition of lands for the beneficial use and enjoyment of the public as additions to the State's system of parks, forests, wildlife, fisheries and natural resource management areas. The program acquires land that represents the ecological diversity of Connecticut, including natural features such as rivers, mountainous areas, coastal systems and other natural areas, in order to ensure the conservation of such land for recreational, scientific, educational, cultural and aesthetic purposes.

The following acquisitions occurred during the month of February:

Property Name	Location	Cooperator	Match Share	Fee Acreage	Easement Restriction, or R.O.W. Acreage	State Purchase Price	Purpose of Acquisition
Bobinski	Torrington			15.8		-0-	Addition to Paugnut SF
Mastramarino	Hamden			2.083		3,333	Addition to West Rock Ridge SP
Windham	Windham			69.45		15,700	Frontage on Shetucket River
Masters	Lebanon				2.102	25,000	Fishing Easement Yantic River

August 2001 Open Space Report  
to the  
Finance, Revenue and Bonding Committee  
and the  
State Bond Commission

## Overview:

Section 22a-6v of the General Statutes of Connecticut requires the Commissioner of Environmental Protection to submit a report to the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission each month. The report must provide information on the acquisition of land or interests in land by the state, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Sections 7-131d and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79 of the Connecticut General Statutes.

### Open Space and Watershed Land Acquisition Grant Program:

The Open Space and Watershed Land Acquisition Grant Program provides grants to municipalities and private nonprofit land conservation organizations for the acquisition of open space land and to water companies to acquire land to be classified as Class I or Class II watershed land. The State of Connecticut receives a conservation easement on each property acquired to ensure that the property will be protected as open space in perpetuity.

During August 2001, the Department of Environmental Protection, Division of Land Acquisition & Management completed review of twenty-five open space acquisition proposals in twenty municipalities and met with the Natural Heritage, Open Space and Watershed Land Acquisition Review Board to recommend funding options. The Board reviewed the proposals and made the recommendation to the Commissioner of Environmental Protection that twenty proposals, in sixteen towns, for the acquisition of 1,120 ± acres of open space be provided \$5.8 million in grant assistance.

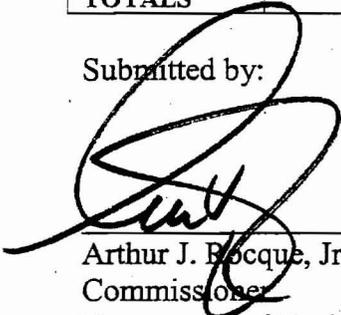

### Recreation and Natural Heritage Trust Program:

The Recreation and Natural Heritage Trust Program is the State of Connecticut's primary program for the acquisition of lands for the beneficial use and enjoyment of the public as additions to the State's system of parks, forests, wildlife, fisheries and natural resource management areas. The program acquires land that represents the ecological diversity of Connecticut, including natural features such as rivers, mountainous areas, coastal systems and other natural areas, in order to ensure the conservation of such land for recreational, scientific, educational, cultural and aesthetic purposes.

The following acquisitions occurred during the month of August, 2001:

Property Name	Location	Cooperator	Match Share	Fee Acreage	Easement Restriction, or R.O.W. Acreage	State Purchase Price	Purpose of Acquisition
BUI	Seymour	N/A	-	322.220	-	4,338,000	Addition to Naugatuck SF
Lenihan	Cornwall	N/A	-	185.449	-	387,200	Addition to Wyantenock SF
Salt Rock Campground	Sprague	N/A	-	114.410	-	750,000	Acquisition of an existing campground

## DEPARTMENT OF ENVIRONMENTAL PROTECTION

November 2001 Open Space Report  
to the  
Finance, Revenue and Bonding Committee  
and the  
State Bond Commission

### Overview:

Section 22a-6v of the General Statutes of Connecticut requires the Commissioner of Environmental Protection to submit a report to the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission each month. The report provides information on the acquisition of land or interests in land by the state, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Sections 7-131d and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79 of the Connecticut General Statutes.

### Open Space and Watershed Land Acquisition Grant Program:

The Open Space and Watershed Land Acquisition Grant Program provides grants to municipalities and private nonprofit land conservation organizations for the acquisition of open space land and to water companies to acquire land to be classified as Class I or Class II watershed land. The State of Connecticut receives a conservation and public access easement on property acquired to ensure that the property will be protected and available to residents of Connecticut as open space in perpetuity.

The following grant projects were completed during November , 2001:

Vernon, Valley Falls Park 9.2 acres  
Woodbridge, Wallace Estate, 200 acres  
Farmington, Collinsville Rd., 5.05 acres  
Weston, Wildlife in Crisis, 4.3 acres

Twenty-eight applications for grant funding were received during November. The applications will be reviewed by resource experts and ranked. Grant awards are expected to be announced after January 1, 2002.

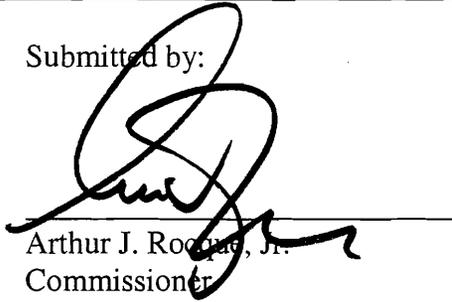

### Recreation and Natural Heritage Trust Program:

The Recreation and Natural Heritage Trust Program is the State of Connecticut's primary program for the acquisition of lands for the beneficial use and enjoyment of the public as additions to the State's system of parks, forests, wildlife, fisheries and natural resource management areas. The program acquires land that represents the ecological diversity of Connecticut, including natural features such as rivers, mountainous areas, coastal systems and other natural areas, in order to ensure the conservation of such land for recreational, scientific, educational, cultural and aesthetic purposes.

The following acquisitions occurred during the month of November, 2001:

Property Name	Location	Cooperator	Match Share	Fee Acreage	Easement Restriction, or R.O.W. Acreage	State Purchase Price	Purpose of Acquisition
Wasstrom Property	Waterford Mago Point	None	None	.3350	None	\$180,000.00	To provide additional parking for DEP boat launch
Snyder	Griswold	None	None	11.60	None	\$135,000.00	Frontage on Glasgow Pond
Yourous	Hartland	None	None	48.98	None	\$250,000.00	Expand Tunxis S.F.
TOTALS				60.915		\$565,000.00

## DEPARTMENT OF ENVIRONMENTAL PROTECTION

December 2001 Open Space Report  
to the  
Finance, Revenue and Bonding Committee  
and the  
State Bond Commission

### Overview:

Section 22a-6v of the General Statutes of Connecticut requires the Commissioner of Environmental Protection to submit a report to the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission each month. The report provides information on the acquisition of land or interests in land by the state, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Sections 7-131d and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79 of the Connecticut General Statutes.

### Open Space and Watershed Land Acquisition Grant Program:

The Open Space and Watershed Land Acquisition Grant Program provides grants to municipalities and private nonprofit land conservation organizations for the acquisition of open space land and to water companies to acquire land to be classified as Class I or Class II watershed land. The State of Connecticut receives a conservation and public access easement on property acquired to ensure that the property will be protected and available to residents of Connecticut as open space in perpetuity.

The following grant project was completed during December 2001:

Wallingford, Water Supply Property, 47 acres.

### Recreation and Natural Heritage Trust Program:

The Recreation and Natural Heritage Trust Program is the State of Connecticut's primary program for the acquisition of lands for the beneficial use and enjoyment of the public as additions to the State's system of parks, forests, wildlife, fisheries and natural resource management areas. The program acquires land that represents the ecological diversity of Connecticut, including natural features such as rivers, mountainous areas, coastal systems and other natural areas, in order to ensure the conservation of such land for recreational, scientific, educational, cultural and aesthetic purposes.
