The scoring system is as follows; A check (✓) means satisfactory. A single x in **Category 1** or the following sections in **Category 2 (Emergency Equipment, Brake System Check, In-Cab*)** will result in test failure. A total of 6 or more x's in the remaining sections will result in test failure. There is a two week waiting period before an applicant is eligible to be re-tested. This document is valid for 60 days from the date the skills test is passed. This document must be presented to the Department of Motor Vehicles for you to obtain your license.
