- ✓ **Organ and tissue transplants offer patients a new chance at healthy lives and return them to their families, friends and communities.**
- ✓ **Over 1,400 Connecticut residents are currently waiting for life-saving transplants. In the US, 22 people die each day because an organ is not available.**
- ✓ **Your decision to donate will not interfere with your medical care.**
- ✓ **Anyone can register as a donor, regardless of age or medical condition.**
- ✓ **It's easy to sign up (over one million of your neighbors have already done it!) — say "Yes" at the DMV.**
