***To search and sort this excel file** Make sure you are able to edit the document. If you see a yellow bar at the top that says "PROTECTED VIEW" just click on the Enable Editing button. To sort by Trade (column A): click the down arrow. In the drop down box uncheck "(Select All)" and in the search box right above it, type your trade, ex: electrician", then click ok. Once you have sorted by trade, you may also use the above instructions to sort by city (column D) or employer name (column B).*

To return to the original document, click on the down arrow again and check "(Select All)"
