****To search and sort this excel file** Make sure you are able to edit the document. If you see a yellow bar at the top that says "PROTECTED VIEW" just click on the Enable Editing button. To sort by Trade (column A): click the down arrow. In the drop down box uncheck "(Select All)" and in the search box right above it, type your trade, ex: electrician", then click ok. Once you have sorted by trade, you may also use the above instructions to sort by city (column D) or employer name (column B). To return to the original document, click on the down arrow again and check "(Select All)"**
