Dear Mr. Dew:

This letter serves as confirmation that the American Association of State Highway and Transportation Officials (AASHTO) is the sole source provider of all AASHTOWare® Software Products.

Please note that AASHTO is a nonprofit, nonpartisan association that represents the member highway and transportation departments in the 50 states, the District of Columbia, and Puerto Rico. The Connecticut Department of Transportation is a member of AASHTO. In addition, AASHTO is the only association that represents all five transportation modes – air, highways, public transportation, rail and water. Its primary goal is to foster the development, operation, and maintenance of an integrated national transportation system.

If you have any questions regarding this matter, please contact me.

Sincerely,

Angelique B. Williams
AASHTOWare Business Manager
