

DEEP STORMWATER/Ezfile PROCESS MAP

CTDOT Projects (State Design)

Suggestion to Designers:
 Standard timeframe FDP to Adv = 10 wks.
 Timeframe implies a best practice that everything should be complete and in ezfile, (Registration form, SWPCP,...) with Final (FDP) plans added to SWPCP when Designer requests review.

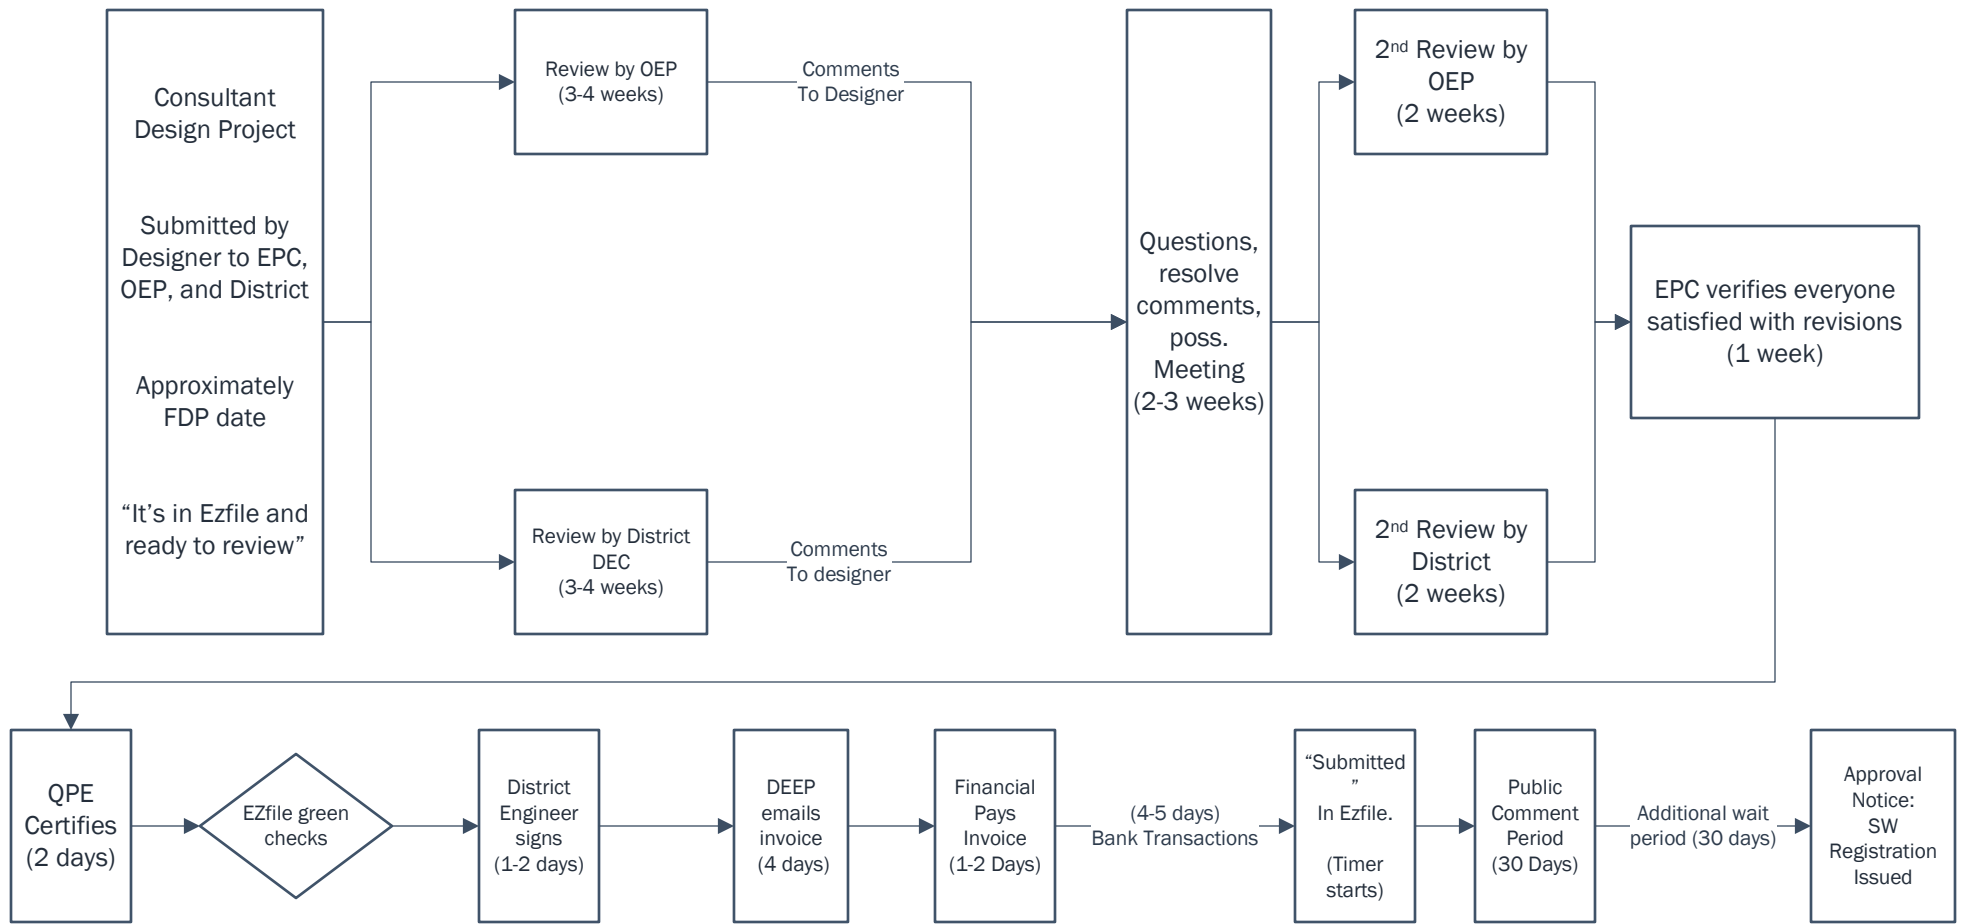

District Engineer should sign by Advertising

"Pending Payment" in Ezfile

End of Public Comment Period – anticipated prior to Award

DEEP STORMWATER/Ezfile PROCESS MAP

CTDOT Projects (Consultant Design)

Suggestion to Designers:
 Standard timeframe FDP to Adv = 10 wks.
 Timeframe implies a best practice that everything should be complete and in ezfile, (Registration form, SWPCP,...) with Final (FDP) plans added to SWPCP when Designer requests review.

District Engineer should sign by Advertising

"Pending Payment" in Ezfile

End of Public Comment Period – anticipated prior to Award
