Owned Special Provisions to Address Buy America Build America Act Requirements

This Bulletin is notification that a special provision for Section 1.06.01 (Source of Materials) with revision date of 11/10/2022 and the associated Notice to Contractor are to be included in contracts to address Source of Supply requirements related to the Infrastructure Investments and Jobs Act. All Federally funded contracts with PS&E memos dated on or after **November 10, 2022**, are to include these documents to address the new Build America Buy America Act requirements.

The new requirements will also be reflected in the Anticipated Source of Supply Form, CON-083, provided to the contractor to fill out post-award.

Until the January 2023 supplements become available, include these special provisions from the [Owned Special Provision](#) webpage.
