Virtual Meeting Considerations

- When arriving at a virtual meeting, please announce yourself in the chat function if the name of your virtual program icon is not your full name or your icon shows your organization name, your first name only, or anything other than your full name.
- Please use the “raise your hand” function to be recognized by the chair. This is done to prevent people from speaking over each other.
- Prior to speaking, making a motion or seconding a motion, please state your name clearly so the minutes can accurately reflect who spoke.
- When making a motion, you should type it into the chat function so that it can be recorded accurately, especially if it is a lengthy or complicated motion.
