**SUBJECT:** Home Health Agency Survey

---

The Department is currently reviewing and revising the home health agency, hospice and home health aide regulations. In our efforts to modernize these regulations, we would like to take an inventory of which agencies are providing in-house home health aide training programs to prepare individuals to become a Home Health Aide. The information collected will be valuable and help inform decision making. Please use the link below to answer this very brief (<5 minutes) survey. We would appreciate it if you would please complete this survey by September 30, 2025. Thank you for any consideration that you give to this request.
