

Connecticut Department of Public Health
Environment Lab Certification Program
***Legionella* Analysis - Environmental Samples**

The following laboratories are approved and certified by the CT Department of Public Health to perform *Legionella* analysis on environmental samples collected from drinking water and non-potable water. Contact the Environment Lab Certification Program with questions: DPH.ELCP@ct.gov

This list is current as of 04/2026.

Laboratory	PH-NUM	Method	Address	Phone Number
EMSL Analytical, Inc. - CT	PH-0322	LEGIONELLA - CDC Method	165 Gracey Avenue, Meriden, CT 06451	(203) 284-5948
EMSL Analytical, Inc.-Carle Place	PH-0249	LEGIONELLA - CDC Method	528 Mineola Avenue, Carle Place, NY 11514	(516) 997-7251
Eurofins Built Environmental Testing East	PH-0815	LEGIONELLA - CDC Method	3000 Lincoln Drive East, Suite A, Marlton, NJ 08053	(856) 334-1001
Northeast Laboratories, Inc	PH-0404	LEGIONELLA - CDC Method	30 Cold Spring Road, Rocky Hill, CT 06067	(860) 828-9787
PathCon Laboratories	PH-0607	LEGIONELLA - CDC Method	270 Scientific Drive, Suite 3, Peachtree Corners, GA 30092	(770) 446-0540
AG Environmental RSC, LLC	PH-0808	LEGIONELLA - ISO 11731	86 Queen Mountain Road, Ferndale, NY 12734	(845) 704-8151
Analytical Services, Inc. (VT)	PH-0788	LEGIONELLA - ISO 11731	130 Allen Brook Lane, Williston, VT 05495	(800) 723-4432
EMSL Analytical, Inc. - CT	PH-0322	LEGIONELLA - ISO 11731	165 Gracey Avenue, Meriden, CT 06451	(203) 284-5948
Hillmann Consulting, LLC	PH-0797	LEGIONELLA - ISO 11731	1600 Route 22 East, Union, NJ 07083	(908) 688-7800
Nalco Water, an Ecolab Company	PH-0798	LEGIONELLA - ISO 11731	1601 West Diehl Road, Naperville, IL 60563	(331) 237-2543
Pace Analytical Services - Pennsauken	PH-0833	LEGIONELLA - ISO 11731	7184 North Park Drive, Pennsauken, NJ 08109	(856) 486-1177
PathCon Laboratories	PH-0607	LEGIONELLA - ISO 11731	270 Scientific Drive, Suite 3, Peachtree Corners, GA 30092	(770) 446-0540
Special Pathogens Laboratory, a Pace Laboratory	PH-0804	LEGIONELLA - ISO 11731	1401 Forbes Avenue, Suite 401, Pittsburgh, PA 15219	(412) 281-5335

Note: The CDC ELITE Program does not evaluate performance of molecular (e.g., PCR), serological (e.g., DFA), or rapid analytical tests (e.g., dipstick) because methods other than culture are not discriminating enough to be applied as a primary test to environmental samples. CT ELCP only offers *Legionella* in the CDC Method and ISO 11731.
