# Prior to Starting an Enrollment

The screenshot displays the CT WIZ application interface. At the top, a dark blue header bar contains the text "CT WIZ" on the left, a search bar with the text "UI TRAINING, UI TRAINING, 7000" in the center, and "PATIENT SEARCH" on the right. To the right of the search bar are links for "Support" and "Notifications" with a red exclamation mark icon. Below the header bar, a vertical sidebar on the left lists navigation options: Home, Patients, Immunizations, Education, IZ Quick Add, Inventory, Clinic Tools, Storage Units, Reading History, Enrollments, Manage Assets, and Clinic Information. The main content area has a dark blue header with an information icon and the text "Default Provider/Clinic". Below this, a search bar is labeled "Provider/Clinic \*" and contains the text "[UI TRAINING] UI TRAINING - C9004P7000 (7000)". Below the search bar, a message reads "Select a clinic by typing Provider, Clinic, VTrckS PIN, or Clinic Code". The main content area also features a "News" section with the title "Test Environment", the text "Posted on 01/31/2019 by ALEJANDRA ARIAS", and the message "CT WIZ Test Environment is available Monday to Friday up 8:00 am to 5:00 pm.".

## Update Clinic Staff and Add Training

The screenshot shows a web form titled "Add Training" with a close button (X) in the top right corner. The form contains the following fields:

- Course Name \***: A dropdown menu with a downward arrow on the right. A red arrow points to this dropdown. The menu is open, showing two options: "VACCINES FOR CHILDREN (VFC)" and "VFC STORAGE AND HANDLING".
- Completion Date \***: A date input field with a placeholder "MM/DD/YYYY" and a calendar icon.
- Upload Certificate**: A text input field with a placeholder "CHOOSE FILE".
- Buttons**: "Cancel" and "Save" buttons at the bottom right. A red arrow points to the "Save" button.

Both the Primary and Backup coordinator need to document the required training modules under as instructed per the enrollment

- Select the training course under **Course Name**.
- Add a **Completion Date**.
- Click **Save**.

#### CVP Re-Enrollment Checklist

Please use the following checklist to help you complete all the sections in the Provider Re-enrollment process. Review the checklist to make sure your clinic has completed all the proper paperwork and steps needed.

**Prior to completing the Re-enrollment:**

- ☐ Make sure the Primary Vaccine Coordinator, Back-up Vaccine Coordinator, and the Physician Signing the Agreement (or equivalent) have access to CT WIZ. If you need to request access, please visit the [CT WIZ login page](#) and click on "Request User Account." Coordinators should pick the appropriate "Access Requested" (Primary or Back-up), and Physician's Signing the Agreement (or equivalent) should choose Chief Medical Officer/Physician Signing Agreement. Please remember the CVP PIN should be included with all CT WIZ requests. For more information on user accounts, visit our [user account webpage](#).
- ☐ Confirm that the Primary and Back-up have completed the required trainings within the last 12 calendar months. The Primary and Back-up Vaccine Coordinator must complete [You Call the Shots: Vaccines for Children \(VFC\)](#) and [You Call the Shots: Vaccine Storage and Handling](#).
- ☐ Please keep your clinic information and staff up to date throughout the year, as make changes as they occur. During re-enrollment review and [update all clinic information](#) in CT WIZ using the Clinic Tools, Clinic Information screens. This includes your clinic's address, contact information, delivery hours, staff, and staff training. Just a reminder, there can only be one Primary Vaccine Coordinator, a Back-up Vaccine Coordinator, and a Physician Signing the Agreement.

# Complete a CVP/CVFA Enrollment

Required Staff And Staff Training - Incomplete

Staff and Training requirements have not been met for this enrollment. Missing Requirements:

- Staff Member with Contact Type of Non-Physician Contact (Primary) (Z4) or Physician Contact (Primary) (Z6) has not completed You Call the Shots-Modue Ten-Storage and Handling training within the last 365 days.
- Staff Member with Contact Type of Non-Physician Contact (Primary) (Z4) or Physician Contact (Primary) (Z6) has not completed Vaccines for Children (VFC) training within the last 365 days.
- Staff Member with Contact Type of Non-Physician Contact (back-up) (Z5) or Physician Contact (back-up) (Z7) has not completed You Call the Shots-Modue Ten-Storage and Handling training within the last 365 days.
- Staff Member with Contact Type of Non-Physician Contact (back-up) (Z5) or Physician Contact (back-up) (Z7) has not completed Vaccines for Children (VFC) training within the last 365 days.

## Information not correct?

If Training is missing, click the link below. On the Clinic Staff Change Request page, press the Edit button for a clinic staff member, then press 'Add Training' in the Training section at the bottom of the page. If a required staff member is missing, click the link below and submit a change request to add a new clinic staff member.

[Add Training Or Submit Change Request For Clinic Staff](#)

\*Please note that all change requests that are submitted are pending program approval. Changes do not take effect until they have been approved.

If the required staff and staff training is not marked as completed, ensure the two course names are listed for the Training Section for both the Primary and Backup vaccine coordinator under Clinic Staff.

View slide 11 to add a missing training(s).

View the enrollment checklist for the required trainings the enrollment your clinic is attempting to complete. These can be found in the enrollment itself under the Enrollment Guide section.

# Complete a CVP/ CVFA Enrollment

✔ Provider/Clinic Population - Completed

## Provider Population

Provider Population based on patients seen during the previous 12 months. Enter the number of children who received vaccinations at your facility, by age group. Only count a child once based on the status at the last immunization visit, regardless of the number of visits made.
