

STATE OF CONNECTICUT

GOVERNOR NED LAMONT

ORDER

August 21, 2021

Pursuant to Sections 3-1 and 28-9 of the Connecticut General Statutes, I have determined that, to facilitate restoration work that may be required as a result of Hurricane Henri, it is in the interest of public safety to allow the use of the Merritt and Wilbur Cross Parkways by utility company restoration vehicles, and I therefore order:

- Energy and telecommunications utility restoration vehicles that do not exceed the maximum height allowed on the Merritt and Wilbur Cross Parkways shall be authorized to travel on those limited access highways from 8:00 a.m. on Sunday, August 22, 2021 to 8:00 p.m. on Thursday, August 26, 2021, provided each utility company first consults with the Connecticut Department of Transportation to provide information about the types and heights of vehicles that will do so.
