Re: Use of Federal Cuts Response Fund

Dear Legislative Leaders,

As you are aware, Special Act 26-1 transferred \$330,811,954 million from the Budget Reserve Fund to the Federal Cuts Response Fund. An additional \$50,000,000 was then transferred via section 259 of Public Act 26-68, increasing the total amount transferred to the Federal Cuts Response Fund to \$380,811,954. After my most recent transfer letter dated July 29, 2026, an available balance of \$263,268,954 remains in the fund.

Section 3(a) of Special Act 26-1, as amended by section 490 of Public Act 26-68, appropriates the entirety of the Federal Cuts Response Fund to the Office of Policy and Management "for the purposes of responding to the policy impacts of P.L. 119-21 and mitigating any action or inaction by the federal government that results in a reduction in funding for any program in this state." Pursuant to section 3(b), as Secretary of the Office of Policy and Management, I am authorized to transfer any amount of such appropriation to another agency or fund to give effect to the intent of the appropriation. Prior to transferring or expending said funds, section 4 requires me to provide notice of such transfers or expenditures to you.

In accordance with section 4 of Special Act 26-1, I hereby provide notice that I intend to transfer and expend funds appropriated under section 3(a) of said Act as described below. Specifically, I intend to transfer funds in the amount listed below from the Federal Cuts Response Fund to the General Fund for the following expenditure:

- Provide funding to the Department of Social Services (DSS) in the amount of \$12,665,650 to support the distribution of a fourth crisis assistance benefit for deliverable fuel heated households under the Connecticut Energy Assistance Program (CEAP) in response to the increase in home heating oil prices due to President Trump's

war with Iran, and the reduction in resources available to low-income households, many of whom rely upon heating assistance, as a result of P.L. 119-21.

- Detailed below is a summary of the transfer that I intend to make.

T1	GENERAL FUND	2026-2027
T2		
T3	DEPARTMENT OF SOCIAL SERVICES	
T4	Community Services	12,665,650
T5		
T6	TOTAL – GENERAL FUND	12,665,650

With this transfer of \$12,665,650, a balance of \$250,603,304 will remain available from the appropriations made pursuant to section 3 of Special Act 26-1, as amended by section 490 of Public Act 26-68. Additional funding needs may be identified, which may require further transfers or expenditures of the remaining funds. I will inform you of such additional transfers or expenditures as required by section 4 of said Act in one or more subsequent notifications.

Respectfully,

Joshua Wojcik
