## STATE BOARD OF EDUCATION

September 17, 2020

Dear Superintendent,

The Connecticut State Department of Education, with the assistance of the Division of Emergency Management and Homeland Security (DEMHS) and the Connecticut National Guard, will be distributing masks to school districts. Connecticut has received the first of two deliveries of cloth facemasks from the Federal Emergency Management Agency (FEMA); the first being adult masks intended for Grades 7-12. (A separate notification will be provided once the child-size masks are received and ready for distribution.) These masks have been allocated using the same methodology that FEMA applied to the national allocation, which was based on Free and Reduced Price Lunches. Masks will be distributed as outlined below beginning on Monday September 28, 2020, between 9:00 a.m and 2:00 p.m. Please be aware that DEMHS will also notify local emergency management directors to assist with your district's pickup and distribution.

For planning purposes, the attached spreadsheet contains the number of masks and boxes you will be receiving, as well as the DEMHS Region in which each district is assigned. Box dimensions are 17" by 16" by 11", so please be sure the vehicles have sufficient storage to accommodate pickup. If you have any questions regarding the distribution or pickup, please contact Mark Noon at <a href="mark.noon@ct.gov">mark.noon@ct.gov</a> (preferred) or (860) 713-6666. Due to the size of the shipment, highlighted districts with a blank allocation amount will receive a separate communication to coordinate direct delivery by DEMHS.
