Immunization Program

TO: All CVP Providers
FROM: Mick Bolduc 
Vaccine Coordinator-Connecticut Vaccine Program (CVP)
DATE: October 19, 2021
SUBJECT: New Age Indication for Flucelvax®

The primary purpose of this communication is to notify all providers that Flucelvax® is now licensed for all individuals 6 months of age and older.

Flucelvax

On October 15, 2021 the Food & Drug Administration approved Seqirus' Flucelvax® influenza vaccine for children as young as 6 months of age. Previously Flucelvax® was indicated for children 2 years of age and older. As a reminder Flucelvax® is an egg-free and cell-based influenza vaccine. Flucelvax®, along with FluMist®, Fluzone®, and FluLaval® are all available through the CVP for all children 6 months through 18 years of age regardless of insurance status.

As always, if you have any questions, please feel free to contact me at (860) 509-7940.
