**Subject:** McKesson, Merck & Pfizer Routine Vaccine Holiday Shipping Schedule

[Please click here to acknowledge receipt of this message](#)

October 28, 2024

*This communication is being sent to all key contacts at provider organizations enrolled in the CT Vaccine Program (CVP). Please feel free to share it with others in your organization who may benefit from the update. Note that all our communications are archived on our web site [here](#).*

The primary purpose of this communication is to inform providers of the upcoming Holiday Shipping Schedules for both McKesson & Merck for routine CVP vaccines.

### **Shipping Schedules**

With the holidays fast approaching the CVP wants to provide the holiday shipping schedules for McKesson, Merck (direct ship Varicella and MMRV vaccines) & Pfizer (direct ship Covid vaccine) so that all offices can plan their vaccine orders accordingly. Attached, you will find the shipping schedules for November, December and January. These schedules are determined by McKesson, Merck & Pfizer so the CVP does not have the ability to change any of the dates. The CVP recommends that providers order extra vaccine, if necessary, to avoid running low during the holiday season.

Thank you for your continued support and cooperation during this holiday season.
