RE: **PETITION NO. 1354** – Chatfield Solar Fund, LLC, petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 1.98-megawatt AC solar photovoltaic electric generating facility on approximately 25 acres located generally south of Route 80 (North Branford Road) and east of Chestnut Hill Road in Killingworth, Connecticut, and associated electrical interconnection to Eversource Energy's Green Hill Substation located at 775 Green Hill Road, Madison, Connecticut.

Dear Attorney McDermott:

The Connecticut Siting Council (Council) is in receipt of your request for an extension of time to respond to interrogatories for the above-referenced petition for a declaratory ruling dated December 18, 2018.

Pursuant to Section 16-50j-22a of the Regulations of Connecticut State Agencies, the Council hereby grants the request for an extension of time to January 2, 2019.

Sincerely,

**Subject:** Chatfield Solar - Petition 1354

Melanie: Chatfield Solar is nearing completion of responses to almost all of the 90 interrogatories that were part of the Council's November 21, 2018 set of questions. However, there are a handful (I suspect less than 5) of responses that Chatfield may not be able to complete by the end of the day tomorrow. For those responses, the company asks that the Council approve an extension of the time to submit responses until December 26<sup>th</sup>.

Thank you for consideration of this request.

Bruce
