

Docket No. 56B

AN APPLICATION FOR AN AMENDMENT TO : CONNECTICUT SITING
THE CERTIFICATE OF ENVIRONMENTAL
COMPATIBILITY AND PUBLIC NEED ISSUED :
IN DOCKET 56 TO METRO MOBILE CTS : COUNCIL
OF NEW HAVEN, INC., FOR TELECOMMUNICATIONS
TOWERS AND ASSOCIATED EQUIPMENT TO PROVIDE :
CELLULAR SERVICE IN NEW HAVEN COUNTY. : JUNE 19, 1987

DECISION AND ORDER

Pursuant to the foregoing opinion, the Connecticut Siting Council (Council) hereby directs that a Certificate of Environmental Compatibility and Public Need, as provided by section 16-50k of the General Statutes of Connecticut (GCS), be issued to Metro Mobile CTS of New Haven County, Inc., for the construction, operation, and maintenance of cellular mobile telecommunications equipment in the Town of Naugatuck, Connecticut.

The facility shall be constructed, operated, and maintained as specified in the Council's record on this matter, and subject to the following conditions:

1. The transmit antennas shall be attached no higher on the existing tower than necessary to provide the proposed service, and in no event shall exceed 375 feet above ground level (AGL).
2. The receive antennas shall be attached no higher on the existing tower than necessary to provide the proposed service, and in no event shall exceed 390 feet AGL.

3. A fence not lower than eight feet shall be built around the equipment building.
4. The facility shall be constructed in accordance with all applicable federal, state, and municipal laws and regulations.
5. The certificate holder or its successor shall notify the Council if and when directional antennas or any equipment other than that listed in this application is added to these facilities.
6. At any time that this facility permanently ceases to provide cellular service, the amendment to the Certificate shall be void, and all equipment in the application shall be dismantled and removed, or reapplication for such use shall be made before any such new use is made.
7. Unless otherwise approved by the Council, this Decision and Order shall be void if all construction authorized herein is not completed within three years of the issuance of this Decision and Order, or within three years of the completion of any appeal taken in this Decision.

8. The certificate holder shall comply with any future radio frequency (RF) standards promulgated by state or federal regulatory agencies. Upon the establishment of any new governmental RF standards, the facility granted in this Decision shall be brought into compliance with such standards within one year.

Pursuant to CGS section 16-50p, we hereby direct that a copy of this Decision and Order be served on each person listed below. A notice of the issuance shall be published in The Naugatuck Daily News and The Waterbury Republican American.
