RE: **EM-AT&T-044-190425** – AT&T notice of intent to modify an existing telecommunications facility located at 259 Commerce Street, East Haven, Connecticut.

Dear Ms. Zsamba:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on April 25, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the Construction Drawings (CD) provided with the request. The CD last revised April 16, 2019 and prepared by Jacobs Engineering Group Inc., is stamped but not signed by a Professional Engineer registered in the State of Connecticut.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Crown Castle provide a CD that is stamped and signed by a Professional Engineer registered in the State of Connecticut, on or before June 10, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to June 10, 2019.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director

MAB/IN/emr

c: The Honorable Joseph Maturo, Jr., Mayor, Town of East Haven
Christopher Soto, Planning & Zoning Enforcement Officer, Town of East Haven
