RE: **EM-AT&T-052-180322** - AT&T Wireless notice of intent to modify an existing telecommunications facility located at 319-321 New Britain Avenue, Unionville (Farmington), Connecticut.

Dear Mr. Andrews:

The Connecticut Siting Council (Council) is in receipt of the filing fee resubmitted on April 9, 2018 in response to the Council's March 28, 2018 and April 3, 2018 notification of an incomplete request for exempt modification with regard to the above-referenced matter.

The filing fee submission along with the Mount Analysis received on April 5, 2018 renders the request for exempt modification complete and the Council will process the request in accordance with the Federal Communications Commission 60-day timeframe.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman  
Executive Director
