RE: **EM-AT&T-052-180322** - AT&T Wireless notice of intent to modify an existing telecommunications facility located at 319-321 New Britain Avenue, Unionville (Farmington), Connecticut.

Dear Mr. Andrews:

The Connecticut Siting Council (Council) is in receipt of your correspondence of April 5, 2018 submitted in response to the Council's April 3, 2018 notification of an incomplete exempt modification filing with regard to the above-referenced matter.

The submission satisfies the Council's request related to its April 3, 2018 correspondence; however, the filing remains incomplete due to the Council not being able to process the filing fee check #12537 as stated in the Council's correspondence to you dated March 28, 2018. The Council recommends that Empire Telecom submit a valid filing fee check in the amount of \$625 as previously stated, by April 10, 2018. If additional time is needed to gather the required payment, please submit a written request for an extension of time prior to April 10, 2018.

The Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153) will remain tolled until the processing fee is submitted.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman
Executive Director
