Re: New Cingular Wireless PCS, LLC (AT&T)
Exempt Modification/Tower Share Conditions
Notification of Completion-Extension Request

Dear Executive Director Bachman:

On behalf of our client, New Cingular Wireless PCS, LLC (“AT&T”), we are in receipt of your June 11, 2015 letter which requests AT&T to provide written notification of completion of construction and/or written notice of compliance with site specific conditions for various exempt modification filings made by AT&T and its vendors for the period of January 1, 2014 through March 31, 2014.

AT&T continues to audit its files internally to be able to provide the CSC with certifications and status on the sites listed. In this regard, some of AT&T’s vendors who filed the regulatory notices are no longer on the AT&T project and as such, it is taking some additional time. As such, we respectfully request an extension of time to December 31, 2015 for AT&T and it’s vendors to respond regarding the matters listed in your letter of June 11, 2015.

Thank you in advance for your consideration of this request.

Very truly yours,

Daniel M. Laub
