RE: **EM-AT&T-072-161207** – AT&T notice of intent to modify an existing telecommunications facility located at 889R Colonel Ledyard Highway, Ledyard, Connecticut.

Dear Mr. Andrews:

The Connecticut Siting Council (Council) is in receipt of your letter dated December 19, 2018, submitted on behalf of AT&T, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-month extension of time until January 15, 2019, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should AT&T need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Subject: EM-AT&T-072-161207 Request for Time Extension RE: EM/TS Audit - AT&T

Dear Siting Council: Four (4) of my sites were listed in the October 11, 2018, letter from the CSC to Daniel Taub requesting evidence of compliance with the Council's decisions. On October 23, I sent the required compliance letters concerning three (3) of the four (4) sites to the CSC (EM-AT&T-086-161031, EM-AT&T-100-160915 and EM-AT&T-163-160627).

On the same date, I also ordered an Inspection Report from our engineering company, as required by condition 2 of the CSC for EM-AT&T-072-161207 – 889R Colonel Ledyard Highway, Ledyard CT. I expressly requested this report to be delivered to me on or before December 14, so as to send it to you before the December 15 deadline. Unfortunately, despite repeated requests to A&E, the required Inspection Report is still a work in progress.

I allowed the December 15 deadline to pass without seeking additional time because I believed that the report would be forthcoming at any moment. Obviously, my expectations were disappointed. I accordingly respectfully request forgiveness of my tardiness as well as an extension of time to submit to required report to the CSC. I will be out of the office next week, and therefore request an extension into early January 2019.

I thank you for your kind consideration in this matter. Jack
