RE: **EM-AT&T-075-200110** – AT&T Mobility, LLC notice of intent to modify an existing telecommunications facility located at 332 Beaver Brook Road, Lyme, Connecticut.

Dear Mr. Noel:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on January 10, 2020.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the request due to lack of notice. The property card provided with the request references a Ruth E. Young as the property owner. However, the mailing receipts provided indicate that notice was provided to Landmark Holding Company, LLC.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Smartlink, LLC provide proof of proper notice of this exempt modification request to the correct underlying property owner referenced above, on or before February 18, 2020. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to February 18, 2020. **Please provide an electronic version of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director

MAB/IN/emr
