RE: **EM-AT&T-081-180911** – AT&T notice of intent to modify an existing telecommunications facility located at 2 Larkin Drive, Middlebury, Connecticut.

Dear Ms. Coughlin:

The Connecticut Siting Council (Council) is in receipt of your email dated August 1, 2019, submitted on behalf of AT&T, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until October 1, 2020, to submit a notice of completion of construction for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should AT&T need additional time to submit a notice of completion or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Good afternoon,

AT&T would like to request an extension to the notice of intent to modify the existing telecommunications facility located at 2 Larkin Drive; Middlebury, CT if possible. Our approval from the CSC expires on October 1, 2019 but Construction is not set to begin until October 29th 2019. Nothing with the proposed work or documents has changed, we had minor setbacks while having the amendment signed by the landlord.

Please let me know if an extension is approved when you can, otherwise I can file again.

Thank you for your attention to this matter.
