Anne Marie unfortunately this is a huge file by Middlefield standards. You can see the First Selectmen's response. I only had time to go briefly through the old parts. I did not know exactly what you need but there is a lot of stuff in the file. Sorry I couldn't be of more help

Cell towers are under the jurisdiction of the Connecticut Siting Council and are not a matter for local jurisdiction, thus there would be no local approval.

I will go through the files here but if I remember correctly Joe use to have a drawer in the vault with this paperwork also.

Good morning Mr. Russ and Ms. Davidson,

I am seeking your assistance if at all possible in locating the original tower approval for the telecommunications facility located at 238 Meriden Road. I have been unable to locate the Town of Middlefield's decision in any Crown Castles files for this site. If the decision is on record in your office, would it be possible to have an electronic copy emailed to me? Please let me know either way, and I thank you in advance for your time and attention to this matter.

Best,

Anne Marie
