RE: **EM-SPRINT-138-180625** - Sprint notice of intent to modify an existing telecommunications facility located at 630 James Farm Road, Stratford, Connecticut.

Dear Mr. Bailey:

The Connecticut Siting Council (Council) is in receipt of your e-mail dated November 4, 2019, submitted on behalf of Sprint, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby grants an extension of time until July 16, 2020, to submit a notice of completion of construction.

This extension is granted with the understanding that the Council will be notified should Sprint need additional time to submit a notice of completion or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Executive Director

Subject: RE: Council EM/TS 3rd Quarter 2018 Audit - Sprint

I received your email regarding sites that have not been closed out yet and I had a question. Sprint has a site that they received CSC approval on but have not done the work yet. How do I go about getting an extension?

The site is located at 630 James Farm Rd, Stratford EM-SPRINT-138-180625

Thank you
