RE: **EM-AT&T-164-180730** – AT&T notice of intent to modify an existing telecommunications facility located at 419 Broad Street, Windsor, Connecticut.

Dear Ms. Caplan:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

The requested modification, as proposed, would load the tower to a maximum of 100.3% of its capacity, which is above the 100% limit established by the Council under guidance from the Connecticut State Building Inspector.

In accordance with the Council's November 6, 2017 memorandum to telecommunications carriers and their representatives (attached), the Council will accept filings with tower overstresses "if the filing is accompanied by a formal opinion from the Connecticut State Building Inspector specifically regarding the structure in question stating that such overstress of the specific structure is allowable." The above-referenced exempt modification filing is not accompanied by a formal opinion from the Connecticut State Building Inspector.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies.

Sincerely,

Melanie Bachman
Executive Director

Subject: RE: 41 Padanaram Road, Danbury CT 06811 (CT11896A L1900) T-Mobile Antenna EM Application

Good afternoon.

I received a call from Robin Edwards, Corporation Counsel for the City of Danbury. She was concerned about how notice of this request was provided to the City and indicated that it appeared the request was submitted through their "311 service?" From their website, this appears to be a City Service Request Form. I snipped the link to it below for your convenience. The cover letter indicates that a copy was sent to the Mayor and the Director of Planning. Could someone please confirm that a copy of the letter was actually sent rather than submitted to the "311 service" when you have a chance?

Thanks.
