**APPLICATION TO INTERVENE AND BE DESIGNATED AS PARTIES  
AND PETITION FOR DECLARATORY RULINGS**

The following individual hereby petition to intervene in this proceeding as parties, and will be represented by one counsel, Barry Zitser, Esq., and participate in this proceeding collectively through said counsel. See attached Appearance. Petitioners also seek a declaratory ruling, as more particularly addressed below. Petitioners are all residents of the Royal Oak neighborhood in Middletown, and may collectively be referred to as the Middletown Royal Oak Residents. Further petitioners may join them in the future. Although they believe that they have a direct, specific, and substantial interest that qualifies for party status, in the event that party status is not permitted, petitioners hereby seek intervenor status, and full rights of participation in this proceeding. In support of this application, petitioner represent, as follows:

**NAMES AND ADDRESSES**

Allan Johanson

### **NATURE OF INTEREST**

Petitioners , with the exception of Mr. Bohan, are property owners and homeowners, in the properties designated on the attached map. Mr. Bohan is a resident in a home and property owned by his wife. The original map highlights the properties in green, and they will appear as grey on the copies. All petitioners reside in the highlighted properties. Four of the properties listed herein are directly contiguous to the proposed Royal Oak Bypass, contained on the Development and Management (“D&M”) Plan filed by The Connecticut Light and Power Company (“CL&P”) on or about May 12, 2006, and the remaining petitioners are located within a short distance of the proposed Bypass. See following section entitled Reasons For Late Intervention. Petitioners’ property interests and/or quality of life would be substantially and adversely affected by the proposed Bypass. Petitioners claim that they should have party status by virtue of either being owners of property which abut the proposed Bypass, as set forth in Section 16-50l of the Connecticut General Statutes (“C.G.S.”), and/or are persons or property owners where the location of the proposed Bypass would pose an undue hazard, as set forth in Section 16-50p(E), C.G.S.

### **REASONS FOR LATE INTERVENTION**

The initial application in this proceeding located the proposed transmission line in an area that was not adjoining the petitioners’ properties, and would not unduly impact on their properties and quality of life. The Royal Oak Bypass proposal, set forth on maps by CL&P,

and as approved by the Connecticut Siting Council, would also not unduly impact on petitioners' properties and quality of life. Thus, there was no reason for the petitioners to believe that they had a compelling interest to intervene in this proceeding, until the filing of a Bypass proposal by CL&P that was not in accordance with the Findings of Fact and Decision and Order of the Connecticut Siting Council. See following Section, entitled Claims Of Petitioners. Thus, petitioners were deprived of any notice of any threat to their properties, homes or lives until the filing of the D&M Plan on or about May 12, 2006. It would be unjust and unreasonable, and a violation of the due process, statutory, and notice rights of the petitioners to deny them an opportunity to participate in this proceeding under these circumstances.

### **CLAIMS OF PETITIONER**

1. The proposed Royal Oak Bypass, filed by CL&P in its D&M Plan is not in accordance with the Findings of Fact and Decision and Order of the Connecticut Siting Council, nor is it consistent with the maps setting forth this Bypass, which were submitted by CL&P, and upon which the Connecticut Siting Council relied upon in its Findings of Fact and Decision and Orders of the Connecticut Siting Council, and petitioners seek a declaratory ruling to this effect, pursuant to Section 4-176, C.G.S..
2. The proposed Royal Oak Bypass, filed by CL&P in its D&M Plan would have the same adverse impacts on the properties and quality of life of the petitioners that the Connecticut Siting Council sought to avoid for the Royal Oak property owner and residents along the Durham/Middletown border in the initial application by CL&P.
3. The proposed Royal Oak Bypass, filed by CL&P in its D&M Plan would pose an undue hardship to petitioner, in violation of Section 16-50p, C.G.S.
4. CL&P did not provide the petitioners with any, and/or sufficient, notice of this proposed Royal Oak Bypass, in violation of Section 16-50l, C.G.S.
5. The proposed Royal Oak Bypass, filed by CL&P in its D&M Plan should be denied, and found to be not in compliance with the Connecticut Siting Council's Findings of Fact and Decision and Order in this Docket.
6. CL&P should be ordered to pursue the original Royal Oak Bypass, as set forth in the maps submitted to this Council, upon which the Council relied in its Findings of Fact and Decision and Order, and which Bypass was located further north, at a lower elevation, and with a greater buffer/protective zone between the transmission line and petitioners' properties.

**RELIEF REQUESTED**

1. Petitioners respectfully request the Connecticut Council to grant the relief, set forth in Paragraphs 1 and 6 of their Claims.

2. Petitioners seek a declaratory ruling, pursuant to Section 4-176, C.G.S., that the Royal Oak Bypass Plan, filed by CL&P in its D&M Plan is not in accordance with the Royal Oak Bypass Plan ordered by the Connecticut Siting Council in its Decision and Order in Docket No. 272.

3. Petitioners also seek a declaratory ruling, pursuant to Section 4-176, C.G.S., that the Royal Oak Bypass Plan submitted by CL&P in its D&M Plan violates the Decision and Order of the Connecticut Siting Council.

4. Petitioners also seek a declaratory ruling, pursuant to Section 4-176, C.G.S., that the Royal Oak Bypass Plan submitted by CL&P in its D&M Plan does not sufficiently meet the environmental, legal, safety, health, and other concerns, set forth in Section 16-50p, C.G.S., to warrant granting of a certificate to proceed with the construction of the proposed Royal Oak Bypass Plan, as set forth in the D&M Plan.

**MANNER OF PARTICIPATION**

Petitioners request permission fully to participate in all future aspects of this proceeding, including but not limited to any proceedings conducted in accordance with the instant petition for declaratory rulings. If the Connecticut Siting Council does not summarily reject the Royal Oak Bypass Plan, set forth on the D&M Plan, petitioners request a hearing to put on evidence in support of their claims.
