RE: **PETITION NO. 377** - The United Illuminating Company (United Illuminating) declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for modifications to United Illuminating's Bridgeport Harbor Station for constructing a 520 MW combined cycle gas turbine generating project, in Bridgeport.

**PETITION NO. 377A** - Bridgeport Energy, LLC declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the approval modification in Petition No. 377 for the existing Bridgeport Harbor Station 520 MW combined cycle gas turbine generating facility, in Bridgeport, Connecticut.

Dear Attorney Henebry:

The Connecticut Siting Council acknowledges the transfer of site ownership from Emera Energy Generation II, LLC to Revere Power, LLC with the condition that Revere Power, LLC complies with all the terms, limitations, and conditions contained in the Decision and Orders dated August 6, 1997 and April 28, 2011 and the Development and Management Plan decision letters issued on September 12, 1997, September 30, 1997, December 12, 1997, February 17, 1998, March 20, 1998, March 27, 1998, July 28, 1998, August 12, 1998, and October 14, 1999, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(1).

Thank you for your attention and cooperation. Your letter will be placed in the above-referenced files.

Sincerely,

Melanie A. Bachman

**Re: DOCKET NO. NT-2010** – Reopening of final decisions pursuant to CGS §4-181a(b) for jurisdictional natural gas-fired generating facilities under CGS §16-50i(a)(3) and CGS §16-50k(a) limited to Council consideration of changed conditions and the attachment of conditions to the certificates and declaratory rulings consistent with the findings and recommendations in the Final Report issued by the Kleen Energy Plant Investigation Review Panel (Nevas Commission) and the findings and recommendations in the Executive Report issued by the Thomas Commission.

Dear Attorney Bachman:

Pursuant to Condition #9 in the March 17, 2011 Decision and Order of the Connecticut Siting Council (“Council”) in Docket No. NT-2010, I am writing to notify the Council that on March 29, 2019 Revere Power, LLC acquired Emera Energy Generation II LLC, which is the owner of Bridgeport Energy LLC. Bridgeport Energy LLC is the owner of the 520 MW combined cycle gas turbine generating facility located in Bridgeport, Connecticut (“the Facility”) that was the subject of the Council’s decisions in Petition No. 377 and Petition No. 377A. The name of Emera Energy Generation II LLC will be changed to Revere Energy Generation, LLC.

The contact information for the representative of Bridgeport Energy LLC, responsible for management and operation of the Facility, is:

Glenn Lockhart, General Manager  
10 Atlantic Street  
Bridgeport, CT 06604

Very truly yours,

Brian T. Henebry
