RE: 1186 - 1772 Line Loop Configuration
Notice of Completion

Dear Ms. Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy ("Eversource") received a declaratory ruling from the Connecticut Siting Council ("Council") on November 12, 2015 for the above-referenced Petition. The Council included conditions regarding the work undertaken pursuant to this Petition. Eversource submits this letter to provide notice that Eversource has complied with the Council's conditions as follows:

- Written notification to the Council not less than 45 days after construction has been completed. Eversource completed construction and site rehabilitation on December 1, 2016; this letter provides notice of completion of this modification.

Enclosed are this original and two (2) copies of this Notice of Completion.

Thank you for your attention to this matter. If you have any questions or comments, please call me at (860) 728-4532.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley", written in a cursive style.
