RE: **PETITION NO. 1140** - Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed reconductoring of a portion of an existing 115-kV transmission line extending from Barbour Hill Substation in South Windsor to Manchester Substation in Manchester, Connecticut and modifications to Barbour Hill Substation and Manchester Substation.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated October 20, 2017 regarding Sunday work hours for the above-referenced declaratory ruling that was approved by the Council on April 20, 2015.

Pursuant to the Council's April 20, 2015 Decision on this petition and Condition No. 1 of the Council's July 21, 2017 Decision on the amendment to this petition, your request for construction hours at Barbour Hill Substation in South Windsor on Sunday, October 22, 2017 from 9:00 a.m. to 5:00 p.m. to complete foundation work for the installation of a sound wall on the east side of Barbour Hill Substation is hereby approved. The Sunday hours were requested to allow the foundation work to be completed during a scheduled outage.

This approval applies only to the Sunday construction hours requested in your October 20, 2017 correspondence. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
Executive Director

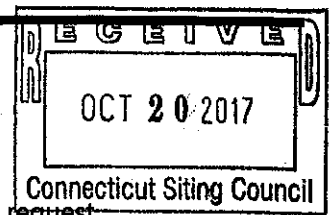

MB/CW

Subject: PET 1140 Barbour Hill Sound Walls - Sunday (10/22) work hour request

Dear Melanie Bachman:

Eversource Energy is requesting approval of work hours this Sunday (October 22) from 9 a.m. to 5 p.m. from Connecticut Siting Council staff due to recent subsurface conflicts with the approved foundation work for the sound wall on the east side of the Barbour Hill Substation. This Sunday is requested in order to complete the foundation work during the scheduled outage. The work to be performed would be digging with an excavator and preparing for the concrete within the Barbour Hill Substation.

The Town of South Windsor has been notified. The abutters will be notified today of this Sunday work.

Please contact me with any questions or concerns.
