New Britain, CT 06051

Re: Petition No. 1150 Bozrah, Connecticut

Dear Mr. Stein:

The Drinking Water Section (DWS) of the Department of Public Health (DPH) has reviewed the SolarCity Corporation petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction and operation of a 3.1 Megawatt Community Shared Solar Photovoltaic Electric Generating facility located on Brush Hill Road in Bozrah, Connecticut. The proposed facility does not appear to be located within a public water supply source water area; therefore the DPH has no comments at this time.

Sincerely,

Lori J. Mathieu  
Public Health Section Chief  
Drinking Water Section
