RE: Semi-annual Status of Construction Report, June 2016

Dear Chairman Stein:

Attached are an original and fifteen (15) copies of the above - referenced semi-annual status of construction report submitted on behalf of The Connecticut Light and Power Company and Yankee Gas Services Company, both doing business as Eversource Energy. This report covers numerous projects that are underway by either company and for which the Connecticut Siting Council ("Council") had approved an application for a certificate or had previously determined by declaratory rulings would not have a substantial adverse environmental effect. Projects that are identified as complete in this report will not appear in the next semi-annual report.

Sincerely,

Kathleen M. Shanley
Manager - Transmission Siting
