Re: **Petition No. 1178 – Fusion Solar Center, LLC Petition for Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance and operation of a ground-mounted 20 MW solar photovoltaic electric generating facility off Potash Hill Road, Sprague, Connecticut – Development and Management Plan**

Dear Ms. Bachman:

Enclosed please find fifteen (15) copies of the following:

1. Final Construction Plans for the approved Fusion Solar Center LLC Facility off Potash Road in Sprague, Connecticut incorporating the Council's conditions of approval. In particular, this plan set includes a final site plan and landscaping plan for the approved facility, a Soil Erosion and Sedimentation Control Plan and a Wood Turtle Protection Plan.

Also enclosed are four (4) full size (24" x 36") sets of the Final Construction Plans.

2. A letter from Dean Gustafson at All Points Technology Corporation, dated June 29, 2016 assessing the potential for impact on the Northern Long Eared Bat (NLEB).
