Subject: Review Comments
Petition 1200
City of Hartford

memorandum

Date: December 7, 2015

to: Mr. Charles Drda-John DeCastro
Mr. Mark W. Alexander

from: Mr. Sohrab Afrazi Ext. 3262
Transportation Principal Engineer
Bureau of Engineering
and Construction

Attached is a copy of the description for the application of the installation of the proposed 800-kilowatt Bloom fuel cell and associated equipment at 1755 Park Street (the Parkville Community Elementary School) in Hartford (with plan) under the Connecticut Siting Council's (CSC) Petition number 1200.

Please have your respective unit provide their written review comments to my office by December 21, 2015. All the compiled review comments, on behalf of the Department, will be forwarded to CSC before their hearing date for this Petition.

Should you need additional information or have any further questions, please contact Ms. Latoya Smith at ext.2533. Thank you.

from: John S. DeCastro
Trans. Maintenance Manager
Bureau of Highway Operations

ATT: Latoya Smith

Due to the fact that there will be no curb cuts or impact on any state owned and maintained highways for the proposed Fuel Cell Facility, this office has no objections to the proposal.

If there are any questions, please contact Christopher Brochu of Maintenance Administration at (860) 594-2610.

Potential Transportation Infrastructure Impacts

Connecticut Siting Council Petition # 1200

Location: Hartford

1. Is the proposed facility abutting the right-of-way of a State maintained highway?

No

Yes - Specify the location and show location on a detail site plan.

2. Is access for construction and maintenance of the proposed facility needed directly from a State maintained highway.

No

Yes - Identify, specify needs and access location.

3. Is the proposed facility within or abutting a State owned Railroad Right-of Way?

No

Yes - Please provide an area and site plan.

4. Is the proposed facility within a two mile radius of any lands classified as preserved scenic land in accordance with CGS Section 13a-85a, "Acquisition of land adjacent to state highways for preservation and enhancement of scenic beauty and development of rest and recreation areas", or any designated scenic road in accordance with CGS Section 13b-31c, "Designation of scenic roads"?

No

Yes
