RE: **PETITION NO. 1200** – 2015 ESA Project Company, LLC declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, operation and maintenance of an 800 Kilowatt Fuel Cell Facility to be located at Parkville Community Elementary School, 1755 Park Street, Hartford, Connecticut.

Dear Mr. Adams:

The Connecticut Siting Council (Council) is in receipt of your e-mail correspondence dated April 30, 2019, informing the Council that the above-referenced facility is constructed and operating as of April 25, 2017. Thank you for your response to our request for information on the status of this facility.

If you have any questions or concerns, please call the Council's office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,

Melanie Bachman
Executive Director

Subject: Petition No. 1200 - Completion Notification

Hello,

The completion of construction and operation of the fuel cell began on April 25, 2017. All work was implemented as specified in the petition, dated November 13, 2015 and in compliance with Public Act 11-101, An Act Adopting Certain Safety Recommendation of the Thomas Commission.

Attached a photo of the site for your reference and records.

Here is a link to a short video with a description of the project and an aerial view of the site:
