PETITION NO. 1265

December 6, 2016

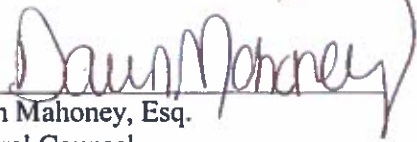

**MOTION FOR EXTENSION OF TIME TO
RESPOND TO COUNCIL INTERROGATORIES**

Doosan Fuel Cell America, Inc. ("Doosan") hereby moves the Connecticut Siting Council ("Council") for an extension of time to respond to the Council's Interrogatories issued November 23, 2016, in the above-captioned matter. In support of this Motion, Doosan states:

1. Doosan received the Interrogatories via electronic mail on November 23, 2016, and via regular mail on November 28, 2016. The deadline to respond to the Interrogatories is December 7, 2016. Doosan also received Interrogatories in two (2) other matters from the Council during this time period with deadlines for response during the same week of December 5th.
2. November 23, 2016, fell one day before the Thanksgiving holiday, and as such, a large number of Doosan employees took vacation days beginning on November 23rd through the following week.
3. While Doosan has begun to make progress on answering some of the Interrogatories, as a result of the large number of Interrogatories on three (3) different matters and less employees being present due to the Thanksgiving holiday, Doosan requires additional time in order to gather the information and data needed to adequately and fully answer all Interrogatory questions.

WHEREFORE, for all of the foregoing reasons, Doosan hereby requests that the Council grant an extension of time to respond to the Interrogatories until December 15, 2016.

Respectfully Submitted,
Doosan Fuel Cell America, Inc.
