Re: Petition No. 1267 – Glastonbury High School

Dear Chairman Stein and Members of the Council:

This letter is submitted on behalf of Doosan Fuel Cell America, Inc. ("Doosan") to withdraw, without prejudice, its pending Petition No. 1267 for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required for the installation of one (1) customer-side 460 kW Fuel Cell to be located at Glastonbury High School, 330 Hubbard Street, Glastonbury, CT 06033. Doosan's withdrawal is procedural only and is made without prejudice to re-submit a Petition on this project at a later time. Doosan thanks the Siting Council and Staff for their time and efforts in processing our Petition.

Sincerely,

A handwritten signature in black ink that reads "Dawn Mahoney". The signature is written in a cursive style and is positioned above a horizontal line.
