RE: **PETITION NO. 1268** - Doosan Fuel Cell America, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 460-kilowatt customer-side combined heat and power fuel cell facility to be located at the Unilever Research and Development Center building, 20 Merritt Boulevard, Trumbull, Connecticut.

Dear Attorney Mahoney:

The Connecticut Siting Council (Council) is in receipt of your second request for an extension of time to respond to interrogatory numbers 1 and 9 for the above-referenced petition for a declaratory ruling dated February 17, 2017.

Pursuant to Section 16-50j-22a of the Regulations of Connecticut State Agencies, the Council hereby grants the request for an extension of time to February 24, 2017.

Yours very truly,

Melanie Bachman
Acting Executive Director

PETITION NO. 1268

February 17, 2017

**MOTION FOR EXTENSION OF TIME TO
RESPOND TO COUNCIL INTERROGATORIES**

Doosan Fuel Cell America, Inc. ("Doosan") hereby moves the Connecticut Siting Council ("Council") for an extension of time to respond to the Council's Interrogatories issued December 5, 2016, in the above-captioned matter. In support of this Motion, Doosan states:

1. Doosan received the Interrogatories via electronic mail on December 5, 2016, and via regular mail thereafter. On January 19, 2017, Doosan requested an extension until February 17, 2017, to respond to Interrogatories No. 1 and No. 9.
2. The Interrogatories contain requests for a detailed site plan and site specific noise studies. Doosan is also required to provide detailed site drawings and noise studies for two other petitions by the February 17th deadline.
3. While Doosan has provided answers to all other Interrogatories for this Petition, due to staffing needs and unforeseen issues in obtaining the detailed site plans and sound study analysis, Doosan now requires additional time to complete the site drawings and sound studies and ensure they are in compliance with requisite standards.

WHEREFORE, for all of the foregoing reasons, Doosan hereby requests that the Council grant an extension of time to respond to Interrogatory No. 1 and No. 9 until February 24, 2017.

Respectfully Submitted,
Doosan Fuel Cell America, Inc.
