RE: **PETITION NO. 1269** - Doosan Fuel Cell America Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, operation and maintenance of a customer-side 920-kilowatt combined heat and power fuel cell facility to be located at the Zygo Corporation, Laurel Brook Road, Middlefield, Connecticut.

Dear Attorney Mahoney:

The Connecticut Siting Council (Council) is in receipt of your letter dated December 21, 2016 requesting withdrawal of the above-referenced petition for a declaratory ruling without prejudice. The Council hereby acknowledges your request to withdraw the petition for a declaratory ruling without prejudice.

The Council declares this matter to no longer be pending before this agency. Please note that if you decide to present an amended petition for a declaratory ruling to the Council for a facility at the Zygo Corporation on Laurel Brook Road in Middlefield that such a request will need to be submitted as a new petition for a declaratory ruling that must follow the applicable statutory and regulatory requirements for a new petition for a declaratory ruling.

Should you have any questions, please feel free to contact the Council office.

Thank you for your attention to this important matter.

Sincerely,
