Re: Petition No. 1269 – Zygo Corporation

Dear Chairman Stein and Members of the Council:

This letter is submitted on behalf of Doosan Fuel Cell America, Inc. ("Doosan") to withdraw, without prejudice, its pending Petition No. 1269 for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required construction, operation and maintenance of a customer-side 920-kilowatt combined heat and power fuel cell facility to be located at the Zygo Corporation, Laurel Brook Road, Middlefield, Connecticut. Doosan's withdrawal is procedural only and is made without prejudice to re-submit a Petition on this project at a later time. Doosan thanks the Siting Council and Staff for their time and efforts in processing our Petition.

Sincerely,

  
Dawn Mahoney, Esq.
