RE: PETITION NO. 1278 - Bloom Energy Corporation, as an agent for Medtronic Inc., petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, operation and maintenance of a Customer-Side 200-Kilowatt Fuel Cell Facility to be located at 20 Middletown Avenue and a Customer-Side 300 Kilowatt Fuel Cell Facility to be located at 195 McDermott Road, both located at the Medtronic campus in North Haven, Connecticut.

Dear Mr. Adams:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on December 12, 2016.

According to Section 16-50j-39a of the Regulations of Connecticut State Agencies, "no declaratory ruling shall be issued to any person until a complete petition containing all information relevant by the Council has been filed." Staff has reviewed this petition for completeness and has identified the following deficiencies in the filing:

1. notice to the Commissioner of the Department of Energy and Environmental Protection;
2. notice to the Connecticut Attorney General;
3. notice to the North Haven Planning and Zoning Commission;
4. notice to the North Haven Conservation Commission; and
5. notice to the North Haven Inland Wetlands Commission.

Pursuant to Section 16-50j-40 of the Regulations of Connecticut State Agencies, "Prior to submitting a petition for a declaratory ruling to the Council, the petitioner shall, where applicable, provide notice to each person other than the petitioner appearing as record as an owner of property which abuts the proposed primary or alternative sites of the proposed facility, each person appearing of record as an owner of the property or properties on which the primary or alternative proposed facility is to be located, and the appropriate municipal officials and government agencies. Proof of such notice shall be submitted with the petition for declaratory ruling."

Therefore, the petition is incomplete at this time. The Council recommends that the petitioner provide proof of service of a copy of the petition for a declaratory ruling on Commissioner of the Department of Energy and Environmental Protection; the Attorney General; the North Haven Planning and Zoning Commission; the North Haven Conservation Commission; and the North Haven Inland Wetlands Commission on or before December 30, 2016. If additional time is needed please submit a written request for an extension of time prior to December 30, 2016.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman
Acting Executive Director/Staff Attorney
