RE: Non-Compliance with Declaratory Ruling Conditions and Notification of Completion

PETITION NO. 1211 - Cellco Partnership d/b/a Verizon Wireless petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed installation of a small cell wireless telecommunications facility on the roof of the existing Newtown Youth Academy Sports and Fitness Center building located at 4 Primrose Street, Newtown, Connecticut.

Dear Attorney Baldwin:

Pursuant to Connecticut General Statutes §§ 4-176 and 16-50k, the Connecticut Siting Council approves Petitions for Declaratory Rulings for facilities that would not have a substantial adverse environmental effect and would not require a Certificate of Environmental Compatibility and Public Need. The Council routinely imposes standard conditions when issuing Declaratory Rulings. Furthermore, the Council may add site-specific conditions that require further effort of the petitioning entities to provide written confirmation to the Council that the conditions have been met.

To date the Council is not in receipt of any communication that site-specific conditions applied to the above referenced petition have been met. The Council is also not in receipt of any notification that construction has been completed.

The Council hereby requests compliance on these matters no later than June 1, 2019. If additional time is needed to gather the requested information, please notify the Council in writing.

If you have any questions or concerns, please call the Council office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,

Melanie Bachman
Executive Director
