

SHAGBARK LUMBER AND  
FARM SUPPLIES, INC.

PETITION NO. 1215  
JUNE 13, 2016

**ANSWERS TO THE SITING COUNCIL  
D&M PLAN INTERROGATORIES  
SET ONE (DATED JUNE 8, 2016)**

1. Yes, the utility pole locations will be in the same general locations as indicated in Petitioner's previously submitted response to interrogatory 16, subject to final determination by the electrical distribution company.
2. Yes, not only will Petitioner be including the landscaping east of the southeast corner of the livestock barn, as noted in its previously submitted response to interrogatory 25, but it may also expand landscaping as necessary to minimize visual impact to houses #3 and #4 (as shown on Petitioner's response to interrogatory 25).
3. Yes, the stormwater management plan design is consistent with the *2004 Connecticut Stormwater Quality Manual*. (See letter from Roger Nemergut, P.E., attached.)
4. Yes, the erosion and sedimentation control plan design is consistent with the *2002 Connecticut Guidelines for Erosion and Sedimentation Control*. (See letter from Roger Nemergut, P.E., attached.)

Respectfully submitted,
