**Subject:** PET 1217: Bloomfield to Windsor Sunday Work Hour request - March-5

Dear Melanie Bachman:

Eversource is requesting Sunday work hours (9 a.m. to 5 p.m.) on March 5 from Council staff for work at the Rood Avenue Substation located in Windsor. The work that would be performed on Sunday includes the installation of transmission line structures in the pulling of underground cable. This work was originally planned to be completed this week; however, due to heavy rains and high winds, the planned outage was cancelled and rescheduled.

If you have any questions or concerns about this work, please contact me.
