Re: Petition 1224 – Woods Hill Solar, LLC Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need Is Required for the Proposed Construction, Maintenance and Operation of a 17.612 Megawatt AC Solar Photovoltaic Electric Generating Facility Located at 90 and 101 Woods Hill Road, Pomfret, Connecticut

Dear Ms. Bachman:

I am writing on behalf of my client, Woods Hill Solar, LLC, in response to your letter of May 7, 2018 addressed to Briony Angus in connection with the above-referenced Petition. In that letter, you requested that Woods Hill Solar provide the Council with a monthly progress report. This letter will serve as the progress report for activities that took place during the month of June, 2018.

For the most part, the activities during the month of June the activities at the site have focused on restoring the site and bringing it into full compliance with applicable stormwater discharge requirements. These activities have included the following:

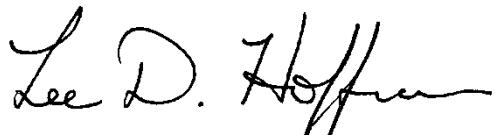

- Removal of excess mulch from all areas outside the perimeter fence of the facility;
- Reclamation of the laydown yard and the laydown yard access road;
- Completion of all trench remediation;
- Hydroseeding of areas in blocks 1 and 2, as well as areas outside blocks 9 and 10;
- Ongoing maintenance of BMPs at the site;
- Installation of erosion control blankets on sloped areas inside the arrays in blocks 1 and 2;

- The addition of gravel to internal roadways;
- Re-application of hydroseeding as needed;
- De-watering of sediment traps, as well as the removal of sediment from traps and swales; and
- Removal of rilling and ruts from within the array blocks.

If there are any questions concerning this report, please contact the undersigned at your convenience. I certify that a copy of this letter has been provided to all parties listed below and any parties on the service list for this Petition.

Sincerely,

Lee D. Hoffman
