**Re: Petition 1224 – Woods Hill Solar, LLC**

Dear Ms. Bachman:

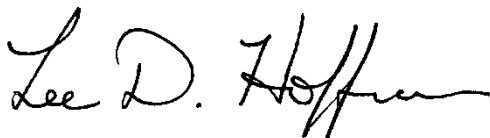

I am writing on behalf of my client, Woods Hill Solar, LLC, in connection with the above-referenced petition. As you are aware, Woods Hill Solar submitted a draft of its D&M Plan for the Council's review and approval on July 24, 2017.

The contents of the D&M Plan ordered by the Council were fairly limited, and were to include final site plan drawings, a copy of the vernal pool report and a copy of the determination from the State Historic Preservation Office regarding the site. These materials were all provided to the Council on July 24, 2017.

Given that the Council will be unable to meet on August 17, 2017, I am writing to request that that Woods Hill Solar, LLC be allowed to begin construction activities at the site, including clearing areas of the site, mobilizing construction equipment and initial construction activities. We understand that such activities may be subject to change if the Council disapproves or amends Woods Hill Solar's D&M Plan at its next meeting.

Should you have any questions concerning the foregoing, please contact me at your convenience. I certify that a copy of this letter has been provided to all parties listed on the service list.

Sincerely,

Lee D. Hoffman  
Counsel for Woods Hill Solar, LLC
